Dear Gian Carlo,

Jeremy Butterfield tells me
you are still unhappy with the
title of our paper and the 'hard-hitting'
style. I have accordingly revised it
again to try and meet these
points. With regard to submitting
it to Cohen, I believe it is quite
proper to publish critical or controversial
material in a Festschrift, provided
the arguments are clearly laid out.
I have certainly done so on a number
of occasions in the past. But that
decision would of course be up to
Cohen.

With very best wishes
Michael

Dear Bob,

As discussed with Tian Yu Cao,
I now enclose the paper by myself
and Patrick La Riviere, for possible
inclusion in the Festschrift for
Afrer.

I am sorry I never found time to
complete the structural realism paper,
but in some way I believe the
topic of the new paper is actually
closer to the theme of the proposed
Volume.

With best wishes

Michael
